

Announcement of 6th International Conference on Organometallics and Catalysis (OM&CAT-6)

Distinguished _____ :

The 6th International Conference on Organometallic Chemistry and Catalysis (OM&CAT-6), hosted by the State Key Laboratory of Element-Organic Chemistry at Nankai University, will be held in Tianjin, China, during August 15-18, 2024. This conference will focus on in-depth discussions of the latest international frontiers in the fields of organometallics and catalysis.

The conference aims to provide an international forum for presenting and discussing the latest advances in organometallics and catalysis, and to promote interactions and collaborations among chemical researchers. We cordially welcome all colleagues and young students to attend the conference and jointly discuss the trends in organometallics and catalysis.

一、 Conference Dates: August 15-18, 2024

(Aug 15: Registration, Aug 15-18:Conference)

二、 Conference Venue

Society Hill International Convention Center Hotel (No.198, Zhijing Road, Xiqing District, Tianjin)

三、 Conference Organizers:

Hosted by:

State Key Laboratory of Element-Organic Chemistry, Nankai University

Co-organized by:

Frontier Science Center for New Organic Matter, Nankai University
College of Chemistry, Nankai University

四、Conference Schedule

Conference Topics:

Organometallics • Catalysis • Organic synthesis • Asymmetric catalysis

Schedule:

Aug 15, 2024 (Thursday) 14:00-21:00: Registration

Aug 16, 2024 (Friday) 8:00-19:00: Opening Ceremony/Thematic Forums
